Good morning Sherry. As a follow-up to our conversation yesterday, I am requesting one more change to our website notice on 404 Assumption. Please add "and Registration Information for Public Hearings" to the end of the title of the notice (i.e., "**Notice of Florida's Request to Assume Administration of a Clean Water Act Section 404 Program and Registration Information for Public Hearings**"). I have attached the template document with the changed title. I recognize that these piece-meal requests to you create inefficiencies for your work, and I am sincerely sorry for that. I feel confident that we will not be coming back to you with any other requests on this notice. Thank you again for your great support on this! Tom

I am so sorry, but our summary also references the October 31 due date, so would you please also correct that date? I updated the template in case that's helpful. Again, I am sorry about all the back and forth! I owe you! Tom

Sherry – I just realized that the Federal Register notice identified the end of the comment period as November 2, instead of October 31, and I'm assuming that is because October 31 falls on a Saturday. I'm sorry to ask this, but would you please change the comment due date on our website from October 31 to November 2? Thanks, Tom

Annette and Sherry – What time do you anticipate the R4 website posting will be updated? It would be helpful to have it published as early as possible this morning, and I'm sorry for not making that request clear before now. Thanks! Tom

Sherry and Annette,

Attached is a completed template for an update to the website posting regarding the "Notice of Florida's Request to Assume Administration of a Clean Water Act Section 404 Program". We would like the update to be posted on Wednesday, Sep 16. Please note, we will not be posting a PDF document, and the current PDF document on our website should be removed. As described in the template, we will include a link to the federal register notice, which is scheduled to publish on Sep 16, and a link for registration for public hearings. As requested by Sherry during an earlier conversation with her, I'm attaching an email that shows legal sign-off on the information we are asking from the public per our public hearing registration link. If you have any questions or need any additional information please let me know.

Thanks again for your great support!

Tom
